Creative Ways to Use the Names of God, Jesus, & The Holy Spirit

Pray these names into your life. Start at the top of this list and work your way down, looking up and getting to know the Lord by studying one name and reference each day. Ask, "Who are You today, Lord?" Then read the scripture where that name is found, reading a few verses before and after it to get a better context. Respond to the Lord about that name. What is God saying about Himself in that name? What difference can He make in your life, or the life of a loved one because He IS that particular name? Sometimes you will be in awe. Other times you'll be convicted, or encouraged, or thankful, or brought to tears. Praise the Lord for Who He is and ask Him to open your eyes and reveal Himself to you through that name.

Pray His name for your loved ones. One of the best things we can pray for our loved ones is that they will come to know and love Jesus with all their hearts. Once you have prayed for His name to be a reality in your life, pray that same truth over those on your prayer list. Praying Jesus' names and His Word is a sure way to know that you are praying in His will.

Gift His Names to others. Create a "One Name Each Day" gift for a loved one. Print each name of Jesus and the verse that accompanies it on colorful cardstock. Then place the names in a pretty container. Share the instructions to draw out and look up one name a day, so that a different characteristic of God, Jesus, and the Holy Spirit can be praised and enjoyed each day. The names can be recycled back into the container or kept in a special place until every name has been drawn.

Send His Names on trips OR gift His Names to those needing encouragement. Prayerfully choose a name for each day of the person's trip or season of need, choosing names that would be especially encouraging for the receiver. Write the name, reference, AND VERSE(s) on a card, and assign it a day. Include directions to open each day's name that morning, praise God for it, and watch for how God will work. (Great idea for those going on mission trips, going into the hospital, or into difficult situations.)

Use in family devotion time. Make your own family a "One Name Each Day" gift to leave in a place where everyone can access it. During family devotion time (or anytime throughout the day) someone can draw out a name for the family to read about and focus on for that day. Discuss the who, what, when, where, why, and how to apply this name for each member of the family. Close in a prayer of worship and thanksgiving to the Lord for being Who He is to us in such a personal way.

Add a Treasure to any seasonal decoration as a reminder of the goodness of God. Using a paint pen or permanent marker, write your favorite names (and references) on Christmas balls, ribbon, crosses, candles, angels, beautiful pieces of paper inside tiny ornamental frames or in pockets of a Christmas Advent calendar, on Easter eggs, pumpkins, leaves of a gratitude tree, and any other décor that could be used to point others to Jesus. Write each of 25 names on a colored 8.5 x 1.5 strip of paper and use those strips to make an Advent chain counting up to Christmas. Each day, pull off one strip, look up the name, and rejoice in the Gift of God He has given you in Jesus.

Add to notes of encouragement. It's always nice to read a word of encouragement and a promise of the personal involvement of God in our daily lives. Write a name, reference, and word of encouragement on a paper napkin, and slip it in a lunch box. Or, write on a post-it-note and attach it to a non-expected place for a sweet surprise. Add a name and reference to your signature when you write a note to send through the mail.

Conversation Starters. This can be an encouraging way to get family, friends, or even for a table full of strangers talking. Write a name and reference on paper strips or on strips of ribbon to make napkin rings. During dinner, let each person take turns sharing his/her name, and have everyone discuss how Jesus can impact lives according to that particular characteristic.
